EDP - EDUCATIONAL PSYCHOLOGY

EDP 3101 Introduction to Applied Behavior Analysis Cr. 4
Students will become familiar with techniques used in implementing Applied Behavior Analysis with people with special needs including Autism. Offered Fall.
Prerequisites: EDP 3104

EDP 3102 Techniques of Applied Behavior Analysis Cr. 4
Students will expand their knowledge of techniques used in implementing Applied Behavior Analysis with people with special needs including Autism. Advanced topics of Behavior Analysis will be taught. Offered Winter.
Prerequisites: (EDP 3101 with a minimum grade of D-) OR (EDP 3105)

EDP 3103 Applied Behavior Analysis Assessment and Treatment Planning Cr. 4
Students will learn various assessment and treatment planning techniques utilized in Applied Behavior Analysis. Offered Spring/Summer.
Prerequisites: (EDP 3102 with a minimum grade of D-) OR (EDP 3106)

EDP 3104 Field Experience in Applied Behavior Analysis I Cr. 2
Accompanies EDP 3101 - Introduction to Applied Behavior Analysis and exposes students to observation experiences of working with persons with Autism. Offered Fall.
Prerequisites: EDP 3101

EDP 3105 Field Experience in Applied Behavior Analysis II Cr. 2
Accompanies EDP 3102 - Applied Behavior Analysis 2 and provides students beginning opportunities to work within the ABA model with persons with Autism. Offered Winter.
Prerequisites: EDP 3102

EDP 3106 Field Experience in Applied Behavior Analysis III Cr. 2
Accompanies EDP 3103 - Applied Behavior Analysis Assessment and Treatment Planning and provides students increasing independence in assessing and treating persons with Autism within the ABA model. Offered Spring/Summer.
Prerequisites: EDP 3103

EDP 3310 Educational Psychology Cr. 3
Introductory course in educational psychology. Topics include, but are not limited to: child and adolescent development, cognitive and behavioral learning theories, information processing, motivation and evaluation. Includes study of exceptional children and those with cultural differences. Offered Yearly.

EDP 5450 Child Psychology Cr. 2-3
Basic concepts, research findings and problems regarding child, pre-adolescent and early adolescent developmental needs as they apply to school and home environments; includes study of exceptional children and those with cultural differences. Offered Every Term.

EDP 5480 Adolescent Psychology Cr. 2-3
Basic concepts, research findings and problems regarding early adolescent and adolescent developmental needs as they apply to school and home environments; includes study of exceptional children and those with cultural differences. Offered Every Term.

EDP 6210 Foundations of Educational Psychology Cr. 3
Introduction to current issues in educational psychology. Topics include, but are not limited to: child and adolescent development, learning, motivation, information processing and evaluation. Includes study of the exceptional child and those with cultural differences. Offered Fall, Winter.

EDP 7101 Foundations of Applied Behavior Analysis Cr. 4
Principles and concepts of Applied Behavior Analysis (ABA); historical perspectives, fundamental vocabulary, philosophy, and methodology of the science of behavior management. Offered Yearly.
Prerequisite: EDP 7106, with a minimum grade of C

EDP 7102 Assessment Techniques in Applied Behavior Analysis Cr. 4
Prerequisite: EDP 7101, with a minimum grade of C

EDP 7103 Applied Behavior Analysis Treatment Planning Cr. 4
Techniques used in behavioral intervention planning, data collection, interpretation of assessments, development of goals and objectives, overview and application of treatment interventions, management, supervision, and team planning. Offered Yearly.
Prerequisite: EDP 7102, with a minimum grade of C

EDP 7104 Research Methods in Applied Behavior Analysis Cr. 3
Overview of research method techniques, theoretical foundations of empirical research, principles of the scientific method, experimental designs, analysis of research designs, research protocol, and formation of research hypothesis. Primary focus on single-case designs. Offered Yearly.
Prerequisite: EDP 7102, with a minimum grade of C

EDP 7105 Ethical Practice in Applied Behavior Analysis Cr. 3
Responsibility, values, ethics, and practice principles of the field of behavior analysis. Offered Yearly.
Prerequisite: EDP 7102, with a minimum grade of C

EDP 7106 Field Experience in Applied Behavior Analysis Cr. 1-3
Students spend supervised time in the field practicing skills learned in the Board Certified Behavior Analyst (BCBA) course sequence. Students work directly with multiple children using a variety of applied behavior analysis techniques. Offered Yearly.
Prerequisite: EDP 7101, with a minimum grade of C
Repeatable for 9 Credits

EDP 7107 Field Experience in Applied Behavior Analysis I Cr. 2
Students in the BCBA (Board Certified Behavior Analyst) courses will work directly with multiple clients using a variety of Applied Behavior Analysis techniques. Specific focus on supervised one on one behavioral intervention work with children. Offered Spring/Summer.
Corequisite: EDP 7103

EDP 7108 Field Experience in Applied Behavior Analysis II Cr. 2
Students in the BCBA (Board Certified Behavior Analyst) courses will work directly with multiple clients using a variety of Applied Behavior Analysis techniques. Specific focus on working in team consultative context to deliver comprehensive behavioral services. Offered Fall.
Corequisite: EDP 7104

EDP 7109 Field Experience in Applied Behavior Analysis III Cr. 2
Students in the BCBA (Board Certified Behavior Analyst) courses will work directly with multiple clients and staff using a variety of Applied Behavior Analysis techniques. Highest level of independent behavioral intervention work including managing all necessary assessment, treatment, case management, and intervention training and supervision of parents and technicians. Offered Winter.
Corequisite: EDP 7105
EDP 7190 Couples Therapy Cr. 3
An introduction to the research, theories, skills and assessments related to couples therapy. Offered Fall.
Restriction(s): Enrollment is limited to students with a major in Counseling Psychology or School and Community Psychology, enrollment is limited to Graduate level students, enrollment limited to students in a Education Specialist Cert or Master of Arts degrees.

EDP 7200 Systemic Theories and Family Therapy Cr. 3
Survey of systemic theories and family systems therapy. Offered Winter.

EDP 7220 Psychotherapy with Children and Adolescents Cr. 4
Theory of psychotherapy, including stages of therapy, issues of therapy, and techniques of therapy with children and adolescents. Offered Yearly.
Restriction(s): Enrollment is limited to students with a major in Counseling Psychology or School and Community Psychology, enrollment is limited to Graduate level students, enrollment limited to students in a Education Specialist Cert or Master of Arts degrees.

EDP 7240 Psychotherapy with Adults Cr. 3
Theory of psychotherapy, including stages of therapy, issues of therapy, and techniques of therapy with adults. Offered Winter.
Restriction(s): Enrollment is limited to students with a major in Counseling Psychology or School and Community Psychology, enrollment is limited to Graduate level students, enrollment limited to students in a Education Specialist Cert or Master of Arts degrees.

EDP 7260 School-Based Consultation and Intervention Cr. 3
Consultation; academic and psychotherapeutic interventions. Emphasis on practical skills needed to work directly or indirectly with individuals and groups in the school setting. Offered Winter.
Prerequisite: EDP 7220, with a minimum grade of C

EDP 7300 Ethics, Standards, and the Practice of Psychology Cr. 4
Legal, ethical, and professional issues confronting the practitioner. Offered Fall.
Restriction(s): Enrollment is limited to students with a major in Counseling Psychology or School and Community Psychology, enrollment is limited to Graduate level students, enrollment limited to students in a Education Specialist Cert or Master of Arts degrees.

EDP 7310 Psychology of Learning Across Development Cr. 3
Course blends a selection of human development and learning theories and concepts; emphasizes application to various professional contexts, e.g., community, health, business, school, and other organizational settings; focus is on late adolescence (ages 18-22) and adulthood. Offered Yearly.
Equivalent: HE 7310

EDP 7350 The Learning Process Cr. 2-3
Substantive issues involved in learning as they relate to school practice. Offered Every Term.

EDP 7370 Adult Psychopathology Cr. 3
Psychopathology of adulthood; mental disorders, treatment and diagnosis. Offered Yearly.

EDP 7400 Foundations of Social Psychology Cr. 3
Systematic study of social psychology; implications for research and applied settings. Offered Yearly.

EDP 7410 Human Developmental Psychology Cr. 3-4
Survey of research from psychoanalytic and learning viewpoints on human development from birth to adulthood. Emphasis on school environment and community psychology practice. Offered Fall, Winter.

EDP 7420 Introduction to Behavioral Psychology Cr. 4
Basic principles and theories of behavioral psychology. Theoretical aspects of both operant and respondent conditioning. Offered Fall.

EDP 7430 Applications I: Behavioral Psychology and Social Learning Cr. 4
Behavioral techniques used in dealing with the social behavior of both groups and individuals. Offered Winter.

EDP 7480 Psychological Tests and Measurement Cr. 3
Overview of psychometric theory and test construction. Methods of assessing various areas of psychological functioning including intelligence or cognitive abilities, achievement, aptitude, personality functioning and vocational interests. No credit after EDP 7490. Offered Fall, Spring/Summer.

EDP 7490 Psychological Evaluation I Cr. 1-3
History of testing, psychometric theory, and test construction concepts in depth. Students apply these concepts in administration, scoring, and interpretation of standardized measures of academic functioning. No credit after EDP 7480. Offered Every Term.
Restriction(s): Enrollment is limited to students with a major in Counseling Psychology or School and Community Psychology, enrollment is limited to Graduate level students.

EDP 7520 Professional Ethics and Standards for Psychologists Cr. 3
An overview of scientific and professional ethics and standards related to the practice of psychology. Offered Winter.
Restriction(s): Enrollment is limited to students with a major in Counseling Psychology or School and Community Psychology, enrollment is limited to Graduate level students, enrollment limited to students in a Education Specialist Cert or Master of Arts degrees.

EDP 7561 Assessment of Cognitive Functioning Cr. 4
Overview of psychometric theory and test construction concepts in depth. Students apply these concepts in administration, scoring, and interpretation of standardized measures of academic functioning. No credit after EDP 7490. Offered Every Term.
Restriction(s): Enrollment is limited to students with a major in Counseling Psychology or School and Community Psychology, enrollment is limited to Graduate level students, enrollment limited to students in a Education Specialist Cert or Master of Arts degrees.

EDP 7562 Assessment of Personality and Social-emotional Functioning Cr. 4
Overview of psychometric theory and test construction concepts in depth. Students apply these concepts in administration, scoring, and interpretation of standardized measures of academic functioning. No credit after EDP 7490. Offered Every Term.
Restriction(s): Enrollment is limited to students with a major in Counseling Psychology or School and Community Psychology, enrollment is limited to Graduate level students, enrollment limited to students in a Education Specialist Cert or Master of Arts degrees.

EDP 7563 Assessment of Academic Achievement Cr. 3
Overview of psychometric theory and test construction concepts in depth. Students apply these concepts in administration, scoring, and interpretation of standardized measures of academic functioning. No credit after EDP 7490. Offered Every Term.
Restriction(s): Enrollment is limited to students with a major in Counseling Psychology or School and Community Psychology, enrollment is limited to Graduate level students, enrollment limited to students in a Education Specialist Cert or Master of Arts degrees.

EDP 7564 Assessment of Academic Achievement II Cr. 3
Overview of psychometric theory and test construction concepts in depth. Students apply these concepts in administration, scoring, and interpretation of standardized measures of academic functioning. No credit after EDP 7490. Offered Every Term.
Restriction(s): Enrollment is limited to students with a major in Counseling Psychology or School and Community Psychology, enrollment is limited to Graduate level students, enrollment limited to students in a Education Specialist Cert or Master of Arts degrees.

EDP 7565 Assessment of Academic Achievement III Cr. 3
Overview of psychometric theory and test construction concepts in depth. Students apply these concepts in administration, scoring, and interpretation of standardized measures of academic functioning. No credit after EDP 7490. Offered Every Term.
Restriction(s): Enrollment is limited to students with a major in Counseling Psychology or School and Community Psychology, enrollment is limited to Graduate level students, enrollment limited to students in a Education Specialist Cert or Master of Arts degrees.

EDP 7566 Assessment of Academic Achievement IV Cr. 3
Overview of psychometric theory and test construction concepts in depth. Students apply these concepts in administration, scoring, and interpretation of standardized measures of academic functioning. No credit after EDP 7490. Offered Every Term.
Restriction(s): Enrollment is limited to students with a major in Counseling Psychology or School and Community Psychology, enrollment is limited to Graduate level students, enrollment limited to students in a Education Specialist Cert or Master of Arts degrees.

EDP 7567 Assessment of Academic Achievement V Cr. 3
Overview of psychometric theory and test construction concepts in depth. Students apply these concepts in administration, scoring, and interpretation of standardized measures of academic functioning. No credit after EDP 7490. Offered Every Term.
Restriction(s): Enrollment is limited to students with a major in Counseling Psychology or School and Community Psychology, enrollment is limited to Graduate level students, enrollment limited to students in a Education Specialist Cert or Master of Arts degrees.

EDP 7568 Assessment of Academic Achievement VI Cr. 3
Overview of psychometric theory and test construction concepts in depth. Students apply these concepts in administration, scoring, and interpretation of standardized measures of academic functioning. No credit after EDP 7490. Offered Every Term.
Restriction(s): Enrollment is limited to students with a major in Counseling Psychology or School and Community Psychology, enrollment is limited to Graduate level students, enrollment limited to students in a Education Specialist Cert or Master of Arts degrees.

EDP 7569 Assessment of Academic Achievement VII Cr. 3
Overview of psychometric theory and test construction concepts in depth. Students apply these concepts in administration, scoring, and interpretation of standardized measures of academic functioning. No credit after EDP 7490. Offered Every Term.
Restriction(s): Enrollment is limited to students with a major in Counseling Psychology or School and Community Psychology, enrollment is limited to Graduate level students, enrollment limited to students in a Education Specialist Cert or Master of Arts degrees.

EDP 7569 Assessment of Academic Achievement VIII Cr. 3
Overview of psychometric theory and test construction concepts in depth. Students apply these concepts in administration, scoring, and interpretation of standardized measures of academic functioning. No credit after EDP 7490. Offered Every Term.
Restriction(s): Enrollment is limited to students with a major in Counseling Psychology or School and Community Psychology, enrollment is limited to Graduate level students, enrollment limited to students in a Education Specialist Cert or Master of Arts degrees.

EDP 7569 Assessment of Academic Achievement IX Cr. 3
Overview of psychometric theory and test construction concepts in depth. Students apply these concepts in administration, scoring, and interpretation of standardized measures of academic functioning. No credit after EDP 7490. Offered Every Term.
Restriction(s): Enrollment is limited to students with a major in Counseling Psychology or School and Community Psychology, enrollment is limited to Graduate level students, enrollment limited to students in a Education Specialist Cert or Master of Arts degrees.

EDP 7569 Assessment of Academic Achievement X Cr. 3
Overview of psychometric theory and test construction concepts in depth. Students apply these concepts in administration, scoring, and interpretation of standardized measures of academic functioning. No credit after EDP 7490. Offered Every Term.
Restriction(s): Enrollment is limited to students with a major in Counseling Psychology or School and Community Psychology, enrollment is limited to Graduate level students, enrollment limited to students in a Education Specialist Cert or Master of Arts degrees.
EDP 7564 Assessment and Intervention for Academic Learning Difficulties Cr. 4
Students will learn about typical development of academic skills, historical and current methods of Specific Learning Disabilities evaluation, and linking academic assessment data to academic interventions for all levels of learning difficulties; emphasis on reading. Offered Fall.

EDP 7610 Child and Adolescent Psychopathology Cr. 3
Study of theories of psychopathology in children and adolescents and the application to these theories to practice. Differential diagnosis using currently acceptable classification systems. Offered Winter.
Restriction(s): Enrollment is limited to students with a major in Counseling Psychology or School and Community Psycholog, enrollment is limited to Graduate level students, enrollment limited to students in a Education Specialist Cert or Master of Arts degrees.

EDP 7996 Research in Educational Psychology Cr. 1-8
Offered Yearly.
Repeatable for 8 Credits

EDP 8210 Fundamental Studies in Educational Psychology I: Learning Cr. 3
Issues and theories relevant to learning, perception, cognition, and motivation, as well as trends in research pertinent to the application of learning theory in education and in clinical practice. Offered Fall.
Restriction(s): Enrollment is limited to students with a major in Educational Psychology, enrollment is limited to Graduate level students, enrollment limited to students in a Doctor of Education or Doctor of Philosophy degrees.

EDP 8230 Fundamental Studies in Educational Psychology II: Development Cr. 3
Contemporary theories and research in developmental psychology pertaining to research and practice in clinical and educational settings. Offered Fall.
Restriction(s): Enrollment is limited to students with a major in Educational Psychology, enrollment is limited to Graduate level students, enrollment limited to students in a Doctor of Education or Doctor of Philosophy degrees.

EDP 8250 Fundamental Studies in Educational Psychology IV Cr. 3-9
Advanced study of a specific area in psychology with application to educational practice. Topics to be announced in Schedule of Classes. Offered Winter.
Restriction(s): Enrollment is limited to students with a major in Educational Psychology, enrollment is limited to Graduate level students, enrollment limited to students in a Doctor of Education or Doctor of Philosophy degrees.
Repeatable for 9 Credits

EDP 8319 Practicum in Psychotherapy Cr. 1-2
Opportunity to provide psychological services (e.g., psychotherapy) to clients under supervision of a Licensed Psychologist or educational psychology professor. Offered Winter.
Prerequisite: EDP 7240, (may be taken concurrently), with a minimum grade of C
Restriction(s): Enrollment is limited to students with a major in Counseling Psychology, enrollment is limited to Graduate level students.

EDP 8320 Internship in Clinical Procedures I Cr. 1-8
Internship in one of the organized health care settings cooperating with the University. Diagnostic testing and psychotherapy with supervision of not less than two hours per week by a licensed psychologist employed by the cooperating site. Conferences and seminars; internship experience will equal or exceed 500 hours. Offered Every Term.
Restriction(s): Enrollment is limited to students with a major in Counseling Psychology or School and Community Psycholog, enrollment is limited to Graduate level students, enrollment limited to students in a Education Specialist Cert or Master of Arts degrees.
Repeatable for 8 Credits

EDP 8330 Practicum/Field Experience in School Psychology Cr. 1-8
Internship as a school psychologist in an approved school with school-age pupils. Interns under supervision of person holding Michigan School Psychologist Certificate. Offered Every Term.
Restriction(s): Enrollment is limited to students with a major in School and Community Psycholog, enrollment is limited to Graduate level students, enrollment limited to students in a Education Specialist Cert or Master of Arts degrees.
Repeatable for 8 Credits

EDP 8340 Internship in Clinical Procedures II Cr. 1-8
Placement as a psychologist in appropriate organized health care setting under the supervision of a licensed psychologist. Offered Every Term.
Restriction(s): Enrollment is limited to students with a major in Educational Psychology, enrollment is limited to Graduate level students, enrollment limited to students in a Doctor of Education or Doctor of Philosophy degrees.

EDP 8350 Internship Supervision Cr. 1-5
Case presentation of selected psychology clients for group/individual supervision. Offered Every Term.
Prerequisite: EDP 8320, with a minimum grade of C; EDP 8330, with a minimum grade of C; EDP 8340, with a minimum grade of C
Repeatable for 9 Credits

EDP 8360 Internship in School Psychology Cr. 1-8
Advanced internship as school psychologist for those holding a Preliminary School Psychologist Certificate. Internship in an approved school with school-age pupils; supervision by University faculty and person with Michigan School Psychologist Certificate. Offered Every Term.
Prerequisite: EDP 8330, with a minimum grade of C
Repeatable for 8 Credits

EDP 9310 Doctoral Seminar in Educational Psychology Cr. 3
An examination of psychological concepts relevant to the development and carrying forward of the work of the schools. Offered Yearly.
