ACADEMIC REGULATIONS FOR THE COLLEGE OF EDUCATION

For complete information regarding the academic rules and regulations of the University, students should consult the Graduate School (http://bulletins.wayne.edu/graduate/general-information/academic-regulations). The following additions and amendments pertain to the College of Education.

Financial Aid and Scholarships
Over 100 scholarships established by private donors are available through the College of Education. A number of them are targeted toward graduate students, all require a cumulative g.p.a. of at least 3.0, and all are awarded to applicants who demonstrate high academic achievement and leadership potential. Most, though not all, are also based on financial need. Application materials are available on the College of Education’s website (http://coe.wayne.edu/student/scholarship.php). Review the website for more information and for the specific deadline date.

Normal Program Load
A full-time graduate student load is eight credits per semester in Fall and Winter and is limited without exception to a sixteen credit maximum by the Graduate School. In Spring/Summer full-time is two credits. If a significant portion of a student’s time is spent in outside work, corresponding adjustments must be made in the college schedule. A graduate student working full-time who desires to carry more than eight credits must secure permission from the Assistant Dean for Academic Services, who serves as Graduate Director.

Attendance
Regularity in attendance and performance is necessary for success in college work. Although there are no officially excused absences as defined by College policy, the conscientious student is expected to explain absences to the instructor. Such absences may be due to illness; to participation in inter-college activities, certified by the sponsoring faculty member; or other similar types of absence for which the student can present to the instructor evidence that he/she was engaged in authorized University activities. Each instructor, at the beginning of the course, will announce his/her attendance requirements.

Probation and Withdrawal
If, at any time, a graduate student’s scholastic grade point average falls below 3.0, the student is automatically placed on probation. A student on probation must submit a plan of action completed with their advisor to the Graduate Officer of the College of Education. The plan of action addresses the necessary steps and timeline for the student to regain good academic standing and identifies the coursework to be repeated or new coursework necessary to achieve good academic standing. The plan of action must be approved by the Graduate Officer before registering for subsequent work in the College. The College reserves the right to ask a student to withdraw at any time from specific courses or from the College entirely, if progress does not warrant continuance.

Readmission
Graduate students who have received a master’s degree from Wayne State University and have not registered since the degree was conferred, and who desire to pursue further non-degree graduate work must complete a Returning Student Update Record form (http://reg.wayne.edu/students/forms.php).

Re-validation of Credit – Master’s Degree
Upon recommendation of the advisor and approval of the Graduate Director, a master’s degree student may re-validate over-age credits which are between six and ten years old, and that represent courses completed at Wayne State University with grades of ‘B’ or better. Students are not permitted to re-validate credits earned at other institutions. The advisor and student must complete a Request for a Time Extension form (http://coe.wayne.edu/student/forms.php) and set a terminal date for completion of all degree requirements, including such additional requirements as may be indicated by the graduate officer to re-validate over-age credits.

Educator Criminal History Review
PUBLIC ACT 68 of 1993 Sec. 1230: This act requires public and non-public schools to conduct a criminal history check of new teachers, school administrators, school psychologists and other personnel required to hold State Board of Education approvals. Criminal history checks may be required at various stages from admission to certification/graduation in some programs. A Judgment of Sentence for any conviction must be on file with any student’s application for the College of Education to recommend that student for certification to the Michigan Department of Education. This document may be obtained from the court where the matter was adjudicated. In addition, a narrative describing the circumstances surrounding the conviction or action from the student’s perspective must be on file. The State Board of Education may refuse to grant a certificate or approval to an applicant pursuant to the following State Board of Education Teacher Certificate Code:

State Board of Education Teacher Certificate Code: R 390.1201 Certificates; denial, suspension, or revocation.

1. The superintendent of public instruction may refuse to grant or renew, or may suspend for a fixed term, or revoke, or may impose reasonable conditions on, a teaching certificate or state board approval granted pursuant to these rules for the following reasons:
   a. Fraud, or material misrepresentation, concealment or omission of fact in the application for, or the use of, a teaching certificate or state board approval.
   b. Conviction of an offense listed in MCL 380.1535a or MCL 380.1539b.

2. The superintendent of public instruction may refuse to grant or renew a teaching certificate or a state board approval for failure or ineligibility of the applicant to meet the criteria for the applicable certification or state board approval.

Additional criminal history checks may be required at the discretion of the College. A criminal history check, by name, without fingerprints may be accessed for a fee rom the State of Michigan (http://www.michigan.gov).

Graduation
Applications for graduate degrees, graduate certificates and the Education Specialist Certificate must be made not later than the fourth week of classes for the semester in which degree or certificate requirements are to be completed. Graduation deadline dates for the
semester in which candidates are completing doctoral (Ed.D. and Ph.D.) degree requirements are established and posted online (https://wayne.edu/gradschool/phd) by the Graduate School.

Information concerning commencement announcements, caps and gowns, invitations, tickets, time and place, and other relevant information is posted by the Commencement Office (http://commencement.wayne.edu). Candidates for doctoral degrees are requested and expected to attend the commencement ceremony at which the University confers upon them the degree earned. Graduate Certificate and Education Specialist Certificate students do not participate in the Commencement Ceremony, which is limited to degree granting programs.
