Admission to this program is contingent upon admission to the Graduate School (<http://bulletins.wayne.edu/graduate/general-information/admission/>). Additionally, applicants must satisfy the following:

5. The student may arrange for his/her Graduate Record Examination (GRE) scores to be sent to the department if he or she wishes.

7. All applications and admissions material must be submitted to the Office of Graduate Admissions by the following deadlines: October 1 for admittance to the Winter Semester, and January 15 for admittance in the following Fall Semester.

AGRADE Program (B.A to M.A)

The Department of Anthropology offers the Accelerated Graduate Enrollment (AGRADE) Program provides the opportunity for top students to enroll simultaneously in an undergraduate and graduate program. The AGRADE allows qualified full-time students to complete the Master's degree in Anthropology usually within one year of their undergraduate degree.

Students can apply a maximum of 16 credits towards both an undergraduate and a graduate degree in the student's major field. Students electing AGRADE programs may expect to complete the bachelor's and master's degrees in five years of full-time study.

Students must apply for an AGRADE program during the semester that they earn 90 credits toward an undergraduate degree – typically during junior year. Applicants must have a cumulative GPA at the cum laude level (20th percentile, or a minimum of 3.5) and not less than a 3.6 GPA in the major courses already completed.
