NURSE-MIDWIFERY
(GRADUATE CERTIFICATE)

This Graduate Certificate program is designed to prepare advanced practice nurses to practice as nurse-midwives (NM) in the primary care of women and newborns. The certificate provides nurses with essential knowledge and skills in nurse-midwifery care. The courses focus on concepts of nurse-midwifery clinical practice such as well-woman, primary, intrapartum, postpartum, newborn care and professional role transition. Upon completion, CNM students take the American Midwifery Certification Board (AMCB) examination. The graduate nurse-midwifery concentration is accredited by the Accreditation Commission for Midwifery Education (ACME).

Admission Requirements

Admission to this program is contingent upon admission to the Graduate School (http://bulletins.wayne.edu/graduate/general-information/admission). Students must also meet the following criteria for admission:

1. completion of a graduate (Master’s or doctoral) degree in Nursing;
2. current Michigan Registered Nurse licensure;
3. three letters of reference; and
4. a personal goal statement.

This certificate requires sixteen credits which must be earned within three years with no transfer credit accepted. A minimum grade point average of 3.0 must be achieved. All course work must be completed in accordance with the academic procedures of the College and the Graduate School governing graduate scholarship and degrees; see sections beginning under Graduate Academic Regulations (http://bulletins.wayne.edu/graduate/general-information/academic-regulations) and Academic Regulations for the College of Nursing (http://bulletins.wayne.edu/graduate/college-nursing/academic-regulations), respectively. Please contact Department for requirements.
