RADIOLOGIST ASSISTANT STUDIES (M.S.)

Admission Requirements

An admissions moratorium is in effect for this program.

Admission to this program is contingent upon admission to the Graduate School (http://bulletins.wayne.edu/graduate/general-information/admission). Applicants must have a bachelor's of science degree from an accredited college or university. In addition, students must:

1. have a minimum cumulative undergraduate grade point average of 3.0;
2. have graduated from a Radiologic Technology program accredited by the Joint Review Committee on Education in Radiologic Technology;
3. be employed as a Radiologic Technologist for a minimum of three years;
4. provide a current copy of proof of American Registry of Radiologic Technologists registration;
5. provide proof of current Basic Life Support certification;
6. submit three letters of recommendation; and
7. submit a narrative stating his/her personal and professional goals.

The GRE is not required for admission into this program.

An admissions moratorium is in effect for this program.

The Master of Science in Radiologist Assistant Studies is offered as a Plan C master's program requiring successful completion of forty-eight credits in coursework over two full consecutive years or six consecutive semesters. All course work must be completed in accordance with the academic procedures of the Graduate School (http://bulletins.wayne.edu/graduate/general-information/academic-regulations) governing graduate scholarship and degrees and the College of Pharmacy and Health Sciences (http://bulletins.wayne.edu/graduate/college-pharmacy-health-sciences/academic-regulations), respectively; and in accordance with the Radiologist Assistant Studies Program Student Policy and Information Manual. A grade of 'C' in any graduate course is unacceptable.
