

CHEMICAL ENGINEERING TEST

The Master of Science program is open to students with a bachelor's degree in engineering, and other mathematics-based sciences. The program is designed to accommodate those students employed in local industries, as well as full-time students, by offering a majority of its courses in the evening.

Admission to this program is contingent upon admission to the Graduate School (<https://wayne-curr.courseleaf.com/graduate/general-information/admission/>). Regular admission requires a 3.0 grade point average or the equivalent as determined by the Department Graduate Officer.
