Parking: Faculty, Staff, and Visitor

42 W. Warren, Suite 257, Welcome Center (8:30 a.m. - 5:00 p.m., Mon. - Fri.); 313-577-2273
http://www.parking.wayne.edu

The University maintains numerous parking facilities available to faculty, staff and visitors on a fee basis. The easiest way to approach parking, for faculty, staff and students, is to purchase a semester-long assigned parking pass. This allows unlimited entry and access to a designated structure or lot, which you’ll choose based on availability and where you spend most of your time on-campus.

All new parking pass customers will pay a one-time fee for an RFID tag ($25 at the time of issuance), which hangs from their rear-view mirror to allow for quick, hands-free entry and exit. The hang-tag is linked to a student, faculty or staff person’s OneCard and all current/future parking assignments. If the hang-tag is lost, parking patrons can simply swipe their OneCard to enter their assigned structure or lot. Lost hang-tags should be immediately reported to the parking office to be deactivated. A replacement tag must be purchased at $25.00 and is required to avoid ticketing or towing.

General parking is also available for visitors and those without a parking assignment. This allows patrons to pay as they go, with access to any of the general parking areas. Students, faculty and staff can deposit funds onto their OneCard for easy in-and-out access. Students only can take advantage of the discounted student OneCard parking rate ($3.75 at time of purchase and $4.75 for premium parking areas). The general public may park in designated WSU lots and structures at the public rate, typically between $7.50 and $10.00, using a credit/debit card for entrance and exit and cash at limited locations.

Wayne State University has a rich athletic tradition dating back to the fall of 1917 and recently celebrated 100 years of singular outreach and academic success. The first Detroit Junior College athletic event (precursor of Wayne State University) was a basketball game against the Detroit College of Law on January 19, 1918. Since then WSU student-athletes have captured numerous honors, including national championships awarded by the NCAA and conference championships. In the past ten years, 276 WSU student-athletes have been recognized as All-American. In the 101 year history, 644 students have been so recognized. Over seventy percent (70.26%) of the nearly 400-plus student-athletes currently involved in competitive athletics have a 3.00 or better cumulative grade point average. According to the latest federally mandated report, WSU student-athletes graduation rate is eighty-three percent (83%). The athletic department provides competitive opportunities in the following sports: baseball, men's and women's basketball, men's and women's cross country, men's and women's fencing, football, men's and women's golf, softball, men's and women's swimming/diving, men's and women's tennis, volleyball, and women's indoor/outdoor track. The past seventeen years WSU Athletics has had its seventeen highest ratings in the annual NACDA Cup and in twelve of the past fifteen years finished in the top 12% of the 319 institutions in Division II. The NACDA ranks the top overall competitive intercollegiate athletic programs in the country.

The University competes in both the NCAA Division I (men's and women's fencing) and Division II levels. The sixteen non-Division I University athletic programs compete in the Great Lakes Intercollegiate Athletic Conference (GLIAC). Members of the GLIAC are: Ashland University, Davenport University, Ferris State University, Grand Valley State University, Lake Superior State University, Michigan Technological University, Northern Michigan University, Northwood University, Purdue Northwest University, Saginaw Valley State University, and the University of Wisconsin-Parkside.

The fencing teams compete in the Midwest Fencing Conference with Ohio State, Cleveland State, Detroit Mercy, and Northwestern, among other schools.
