

# CYBERSECURITY MINOR

---

The Cybersecurity minor provides a background in cybersecurity for students who are majoring in other fields of study at Wayne State University. Upon completion, minor degree holders will possess the knowledge, skills, and abilities (KSAs) recognized by the National Security Agency (NSA) for success in today's cybersecurity workforce.

The Cybersecurity minor requires 18 credits, which are listed below.

<b>Code</b>	<b>Title</b>	<b>Credits</b>
