SCULPTURE MINOR

This minor provides students the opportunity to supplement their major field of study with an exploration of contemporary sculpture through hands on exposure to the variety of sculptural capacities available at Wayne State: foundry work for bronze and aluminum casting, mold-making and casting for contemporary applications, clay modeling from the figure, steel fabrication and welding, and woodworking.

The Minor in Sculpture requires 18 credits.

Code	Title	Credits
Core		
Select one of the following:		3
ADR 1050	Drawing I	
ACO 1200	Surface Studio	
ACO 1230	Space Studio
