GEOLOGY MINOR

The Department offers a minor in geology for undergraduate students. The minor consists of twenty credits in geology (usually consisting of five courses). Although desirable courses for a student's minor program should be determined in consultation with Geology Department staff members. Anyone wishing to complete a minor in geology should contact the Department advisor as soon as possible, so that an appropriate program can be formulated.

Code	Title	Credits
Required courses:		**8**
ESG 1010	Geology: The Science of the Earth	
ESG 1020	Interpreting the Earth	
Elective coursework (at least four credits in the minor must be completed in courses at the 3000-level or above) [1]		**12**
Total Credits		**20**

[1] ESG 1050 may only be applied for credit to a minor with the permission of the student's advisor in consultation with the Chairperson of the Department
