

# PUBLIC HISTORY MINOR

A student pursuing a Public History minor must complete a minimum of eighteen credits, including the following:

Code	Title	Credits
<b>Core Courses</b>		<b>6</b>
HIS 3000	The Historian's Craft	
HIS 4997	Internship in Public History	
<b>Elective courses</b> <sup>1</sup>		<b>12</b>
<b>Total Credits</b>		<b>18</b>

<sup>1</sup> Students must take at least four additional History courses numbered 3000 or above for a minimum of twelve credits; at least one of these courses must require students to produce an original research project (in a typical semester, several courses will fulfill this requirement, and students can determine which courses do so in consultation with the Academic Advisor and/or Director of Undergraduate Studies). Students are especially encouraged to take HIS 4993 (HistComm) and/or HIS 4994 (Digital History Seminar) if they are offered.
