POST-BACHELOR STATUS: Students wanting graduate credit should NOT

register ‘post-bachelor.’ This status allows students holding bachelor’s
degrees from accredited institutions to elect only courses open to

undergraduate students (numbered below 7000), which may be used to

fulfill prerequisite requirements for graduate admission. Credits for
courses elected as a post-bachelor student do not count toward graduate

credit.

Drop/Add — Adjusting Your Schedule

Registered students may drop and/or add classes on the date(s)

indicated on the Registration Calendar. Note the following requirements:

1. The regulations pertaining to dropping and adding courses are stated as

they pertain to regular courses fifteen weeks or more in duration. These

regulations are applied proportionately to courses that are

offered for less than fifteen weeks. Students can click on the Course

Reference Number (CRN) on the class schedule website to view

specific deadline dates for each course(s). Students can also contact

the Registration Office for any questions regarding these regulations.

2. Students who do not officially drop their courses within the first two

weeks of classes are financially obligated to pay for the courses even if

they have not attended any class sessions.

3. Students who officially drop full term courses before the conclusion of

the first two weeks of classes (for the Fall and Winter terms) are

entitled to 100% tuition cancellation, and the courses do not appear

on the students’ academic records.

4. Students are not permitted to add courses after the first week of the

term without instructor and departmental permission. Departments

are required to enter a late add permit/override for students if

exceptions are made to permit adding of classes during the second

week.

5. Effective Fall 2018, the withdrawal period starts after the second

week of classes, and lasts through the tenth week. The withdrawal

will include a notation on the academic record of ‘WP’ - Passing, ‘WF’

- Failing, or ‘WN’ - No Basis for Letter Grade. Students are required to

submit their withdrawal through Academica for their instructors’

approval. Once logged into Academica, click the Student tab, under

Registration from the Student Services menu, choose Withdraw

from a Class, follow the prompts on each page. Before a withdrawal

request is sent to the instructor, undergraduate and Masters level

students will be required to complete a SMART Check. See the

Financial Aid website (http://wayne.edu/financial-aid/receiving/

withdrawal/) for more information.

6. Students are not permitted to withdraw from courses after the end of

the tenth week of class for full term classes. The withdrawal

deadlines are published in each term’s academic and registration

calendar. Withdrawal dates for less than full term courses are

adjusted proportionally. Late withdrawal requests will not be

approved. Medical withdrawal requests have separate deadlines.

College of Engineering: Students are not permitted to withdraw from

courses after the fifth week of classes without written approval of

their advisor. Some departments have more stringent restrictions on

withdrawing from courses.

Transcript Request Policy

Official transcripts (https://wayne.edu/registrar/records/transcript-

requests/) bear the seal of the University and the signature of the

Registrar. They are sent directly to the receiving party. Transcripts

are issued free of charge, up to ten copies per year. A fee of $5.00 per

transcript is charged for copies in excess of ten. A fee of $20.00 is

assessed for each emergency transcript. An emergency transcript is one

which is mailed for overnight delivery. The next day service only applies to

street addresses (No Post Office Boxes) within North America. Next day

service requests must be received by 1:00 p.m.
Students may request transcripts via Academica (http://academica.wayne.edu). There are no on demand transcript requests. Due to the signature requirement for releasing educational records, the University cannot accept telephone requests for transcripts.

Transcripts are not issued to anyone outside the University without the written permission of the student. Requests for official transcripts will not be honored if the student or former student has an outstanding financial obligation to the University.

For students who have been in attendance since the year 2000, transcripts can be sent electronically. A valid email address must be provided.

**Release of Student Records**

The University recognizes the educational records of students as being privileged and has a policy designed to ensure that this information is not improperly divulged without the consent of the student. The University is subject to the Family Education Rights and Privacy Act (https://wayne.edu/registrar/faculty/privacy/) (FERPA) and has promulgated regulations pursuant thereto. Copies of the regulations and a list of student records maintained by the University are available for inspection in the Office of the Registrar. The University retains the right to provide anonymous academic information to other schools and colleges when it is to be used for curriculum evaluation purposes.

**Michigan’s Freedom of Information Act**

The Freedom of Information Act (PA 242) provides that a member of the public, in accordance with certain guidelines, has a right to inspect and receive copies of public records maintained by the University. A public record is broadly defined and includes written documents, pictures, recordings, punch cards, magnetic cards, etc., which are maintained by the University in the course of official responsibilities. However, certain records are exempt from disclosure.

The Media Relations Office, located in 3100 Academic/Administrative Building, is responsible for accepting requests for public records, and the Director of that office is the University officer in charge of providing this service. Under statute, a fee can be charged for records released and is based on the cost of labor involved in the search, examination and duplication of records, as well as the mailing costs. Only the Office of General Counsel may authorize the denial of a FOIA request.

**Student Directory Information**

Under the Family Education Rights and Privacy Act (FERPA), the university can designate information as directory information, which may be released to third parties. Wayne State University considers the following information to directory information: name, university-provided e-mail address, major, classification (freshman, sophomore, etc.), enrollment status (full-time, three-quarters-time, half-time, less-than-half-time, withdrawn), dates of attendance, participation in officially recognized university activities (including sports), height and weight of members of athletic teams, degree(s) received from Wayne State, and Honors and/or academic awards received.

Wayne State does not release directory information to third parties for commercial or non-educational purposes. Requesters are expected to explain the benefit to our students.

You may opt in or opt out of the release of directory information by filing a Request to Restrict Release of Directory Information Form (https://wayne.edu/registrar/faculty/forms/) with the Records and Registration Office.

The University will release student information made under the Solomon Amendment (10 USC Section 983) by Department of Defense recruiters. Accordingly, students may not opt out of this type of release.

**WSU OneCard**

The WSU OneCard is a multi-purpose identification and debit card all in one. It is a convenient, easy-to-use card designed to provide students with access to a wide variety of campus services including, parking, door access, copying and printing services food and book-store purchases, and more, all without having to use cash. The OneCard is needed to access the fitness center, the complimentary campus shuttle and serves as the Library Card for the WSU Libraries. **Retention and Graduation Data**

The Office of Institutional Research and Analysis (OIRA) submits the following retention and graduation rates to the Integrated Postsecondary Education Data System (IPEDS) on behalf of the university.
